

Bailey Family Visits Atlantic City, NJ

Welcome To Atlantic City, NJ

Get ready for some family fun! Atlantic City is a well known major beach resort featuring its iconic Boardwalk, retail shopping and legalized casino gambling. It's known for hosting the Miss America Pageant, vibrant night-life and entertainment. Also known as "Vegas of the East Coast!"

Another fun fact; Atlantic City's Boardwalk inspired the Monopoly board game.

Between the years 1900s to 1960s, Atlantic City had a historic segregated African American section called "Chicken Bone Beach." This area is between Missouri and Mississippi Avenues. The name was affectionally derived from families bring their beach fun equipment and picnic baskets with fried chicken; of which, after finishing eating they would bury the chicken bones in the sand. This are inspired the Chicken Bone Beach Historical Foundation, which presently offers weekly jazz concerts during the summer.
